COLLECTIONS

FIERCELY 5TH AVENUE

The styles featured in the Fiercely 5th Avenue Collection are exactly what you would expect with a name like that: Sleek, classy, metallic designs that you'd find on the streets of New York. The accessories in the Fiercely 5th Avenue Trend Blends are strong and edgy, which makes them incredibly versatile. They can also effortlessly transition from day to night, which allows them to appeal to a wide demographic.

GLIMPSES OF MALIBU

The Glimpses of Malibu Collection was created with inspiration from the styles of Malibu, CA. Styles in this Trend Blend will feature fun, livable fashion with an upscale flavor. The colors are usually a bit tamer compared to the bolder hues found in other collections, and the attitude tends to have a laid back vibe.

MAGNIFICENT MUSINGS

The Magnificent Mile in Chicago is where we pulled our inspiration for the Magnificent Musings Collection. With a range of shopping venues, the Magnificent Mile is a hub for classic trends with urban elements and the Magnificent Musings Collection follows suit.

SIMPLY SANTA FE

Earthy, desert-inspired designs are what the Simply Santa Fe Collection is all about. Natural stones, indigenous patterns, and vibrant colors of the Southwest are sprinkled throughout this trendy collection.

SUNSET SIGHTINGS

Trendsetters are sure to gravitate towards the accessories found in the Sunset Sightings Collection. Featuring more drastic designs, bold colors, and funky combinations found outside the box, the pieces of the Sunset Sightings Trend Blends could easily be found on young Hollywood icons or in the pages of People magazine.
